Questions to think about

1. What would the service of hiddenness look like in your life?
2. This week see if you can find one way each day to exercise the service of common courtesy.
3. When should you say 'No' to the demands people place upon your time and attention?
4. Give this prayer a try sometime this month:
"Lord Jesus, I would so appreciate if you would bring me someone today whom I can serve."
